Volleyball Camp Nouvelle Génération 2024- Moncton, NB (July 22-25)

“ My daughter attended volleyball camp this summer and I couldn't be happier with the experience she had. The coaches were not only knowledgeable and skilled but also incredibly supporting and encouraging. They focused on developing each player's skills while fostering a positive and team-oriented environment.

The camp offered a perfect balance of drills, scrimmages, and team building abilities, making it both fun and encouraging. My daughter not only improved her volleyball techniques but also gained confidence and made new friends

She is already looking forward to next year 's camp.

I highly recommend this program to any parent looking to boost their child's technical abilities, and self-esteem.

“ **Coach Robert Grandmaison**– In the world of sports, some coaches transcend the game itself, leaving their mark on a sport, its players and its fans. Robert Grandmaison is one of these rare figures. For decades, Robert has not only been a mentor and guide, but for many, “The” cornerstone of the volleyball community in New Brunswick and across Canada. Coaching with unwavering passion and dedication, Robert has devoted his life to our development.

Years ago, I had the privilege of being coached and mentored by Mr. Grandmaison. This experience instilled in me the value of hard work, discipline, and teamwork. Under his guidance, I've learned not only how to win games and how to handle defeat with grace, how to push my limits, and how to strive for excellence both on and off the court. Now, the baton has been passed, and you find yourself coaching my daughters in your New Generation summer camps—a full circle moment that speaks to the lasting influence you've had on my family and countless others.

Through every camp, every game, and every pep talk, Robert displayed his unique ability to coax the potential out of every player. His dedication remains as consistent as ever and his passion for sport is as strong today as it was when he first coached/mentored me during those University of Moncton camps. He continues to inspire, teaching life lessons that go far beyond sports—lessons in resilience, leadership, and character.

To coach two generations of athletes in the same family is a rare and special honor. It's a testament to his greatness. Robert has created more than just teams, has crafted a legacy; and in the hearts of those you've coached, that legacy will live on for many years to come.

Thank you, Robert Grandmaison, for your tireless passion, for your unrelenting commitment, and for being a true role model to parents and children alike.
